

SCIENTIFIC SYMPOSIUM AT UNISI
II Edition

Protein-Protein Interactions

The Department of Biotechnology, Chemistry and Pharmacy
(Dept. of Excellence 2018-2022) of the University of Siena is pleased to announce
the II edition of ScienceS@Si – Scientific Symposium at Unisi

ScienceS@Si will be held on **July 21st, 2022** as a **FREE** and **VIRTUAL** event

The Symposium will be focused on **Protein-Protein Interactions**
with the aim at providing participants from both Academia and Industry with some of the most recent
advances in the field of chemical and biological sciences, through a multidisciplinary approach

In a single afternoon, five **Eminent Scientists** will present innovative strategies and research projects

Prof. Stefano Alcaro – Università Magna Græcia & Net4Science spinoff - Catanzaro

Prof. Francesco Ortuso – Università Magna Græcia & Net4Science spinoff - Catanzaro

Prof. Simona Rapposelli – Università di Pisa

Prof. Alessio Ciulli – University of Dundee

Prof. Beatrice Vallone – Università di Roma La Sapienza

Submit Abstract and Poster
on your protein-protein interaction research project,
you could win **the Best Poster Award!**
